

شركة سلطان يونايتد للمقاولات العامة للمباني
Sultan United General Contracting For Building Co.

Message from Chairman:

Sultan United is a company specialised in general contracting for buildings, the company was established in 2019 in the state of Kuwait. Although Sultan United is a relatively young company, we have put together an arsenal of top quality equipment, and a well experienced and trained team of dedicated professionals. With god's grace we have successfully completed multiple high profile projects, and have met and exceeded our customers expectations in terms of both budget and schedule. At Sultan united, customer satisfaction and quality of work is a key goal in every project we engage in, and have embedded this into our cooperate values, were every employee is dedicated to satisfying those metrics.

Our Vision:

Our Vision is to be the preferred service provider of the building contracting services in Kuwait
